

Designation: Accurate -- **DP 73**

Type: Double base Spherical powder.

Category: Fast burning Rifle powder

Information:

This powder is **slightly faster** than the **standard A-2230 powder**.

We suggest that you **reduce** any load that is published for **A-2230 by 5%**.

(Multiply all Accurate A-2230 loads by 0.95)

This applies to all caliber/bullet weight combinations.
